WORLD NEWS IN REVIEW

SPAIN

The eight-year-old Spanish republic received a final and crushing blow early this week when both England and France announced simultaneous recognition of the regime of Generalissimo Francisco Franco in Spain.

More than any other single action, the Chamberlain-Daladier move doomed any lingering Loyalist hope that Madrid could carry on alone. Surrender of the remaining one-fourth of Spain now in Loyalist hands was expected to come within a few days.

With the virtual close of nearly three years of bloody warfare, costing an estimated 1,000,000 lives, major governments of Europe resume their diplomatic game for power and influence. Despite the hope of France and England to curry favor with Franco through financial assistance, Italy and Germany, who helped win the war with money and munitions, seem to have the inside track.

PROGRESS?

Because the Hitler regime in Germany has chased 3,000 Jewish doctors out of Germany and revoked the licenses of as many more, the Third Reich faces a serious shortage of physicians. To increase the total of "Aryan" doctors, Hitler last month announced that beginning April 1, the period of medical education will be reduced by two full years. As a final blow to the once-famous medical tradition of Germany, he legally recognized healing physicians over 25 years of age. To practice medicine all a healing physician need show is an "intuitive ability" to cure the sick and three years of successful work in healing.

ELECT POPE

Eugenio Cardinal Pacelli last week was elected 262nd Pope of the Roman Catholic Church and assumed the name of Pius XII.

The name was assumed in recognition of his succession to Pius XI, to whom he was Papal Secretary of State.

The election of the Italian Cardinal on the third ballot of the first day of the conclave's voting was without precedent in the modern history of the Church.

The election of Pope Pius XII broke another tradition in that rarely has a Secretary of State to the preceding Pope been elevated to the Papal seat.

OLD MASTERS

What is thought to be the largest collection of Old Masters ever assembled outside of Italy has been acquired for display in the Fine Arts Palace on Treasure Island. Including such almost mythical beauties as Botticelli's "Birth of Venus," Mantegna's "St. George," and Raphael's "Madonna of the Chair," these priceless Renaissance paintings become of even more interest to the visitor with the semi-official announcement from Premier Mussolini in Rome that never again will these masterpieces —or others like them—be permitted to leave Italy.

Governor Olson Sets Date

The fifth annual observance of California Conservation Week was in progress this week and will continue through March 14. During the week, schools and club programs and public meetings will feature educational efforts directed toward the conservation of the State's natural resources.

Governor Culbert L. Olson, honorary chairman of the 1939 Conservation Week, inaugurated the observance with the announcement:

"The great State of California has been blessed with an abundance of natural resources which have added greatly to her wealth and scenic beauty.

"It is appropriate that California set aside a week each year to be known as 'Conservation Week,' extolling the wonders of her natural resources, and urging that those resources be guarded and preserved against unlawful encroachment and wastage.

"It is also appropriate that Conservation Week be observed this year during the week beginning March 6, during which fall Arbor Day and Luther Burbank's birthday, and I call upon all California's citizens to unite in a policy of observing our conservation laws this week and every week throughout the year.

"To this end, now, therefore, I, Culbert L. Olson, Governor of California, do hereby proclaim the week beginning March 6, 1939, as Conservation Week in California, and I urge widespread observance and participation by all citizens."

Danish Royalty Sails for U. S.

Princess Ingrid and Crown Prince Frederik of Denmark will sail from Southampton next Monday en route to the United States where they will visit the two 1939 world fairs. The royal couple will go via the Panama canal to San Francisco, returning overland to New York on a cross-country tour.

County Relief Load Nearly Doubled

The year 1938 did not bring a more cheerful picture to the San Mateo county relief problem, it was announced this week by Mrs. H. S. Dana of San Mateo, chairman of the County Unemployment Relief commission.

Highlights of her report for the year were:

The total county relief expenditures, state, federal and county, were $1,447,000.

The relief case load, which was 504 in January of 1938, had increased to 907 in January of 1939.

"I feel that the taxpayers of San Mateo county should know the actual amount of moneys spent on unemployment in addition to the county's expenditures for relief in all its departments," Mrs. Dana explained in issuing her report:

Figures Cited

From January 21 to December 31, 1938: Works Progress Administration labor and non-labor (non-labor is the amount per man month for materials given by the federal government	$ 555,000
State Relief Administration direct relief	106,000
Sponsored contributions in incorporated areas for materials and supervision	16,000
County relief, all departments over	800,000
Total	$1,477,000

Aliens Must Work

The relief committee has inaugurated a plan, not used in any other county in the state, whereby the direct relief recipients are obliged to work for their relief checks. This group is composed of aliens and light work men who are not eligible for WPA. At present these men are working on the county highway project, Mrs. Dana explained.

Garden Club Leaders Discuss Fiesta

Representatives of San Mateo garden clubs and garden club sections of women's clubs attended a meeting Monday afternoon at the Benjamin Franklin hotel in San Mateo. This meeting, under the chairmanship of Mrs. F. M. Perkins, vice-president of the San Mateo County Fair association, was to discuss their section of the schedule for the 1939 San Mateo County Fiesta.

Representatives of the twelve clubs in the county were present and enthusiastically received the new schedule of classes that was presented to them. All present agreed that as a large number of out-of-state and out-of-county visitors were expected to visit the peninsula this fall, that every effort should be made to have the fiesta larger and more attractive than ever and all of the representatives present reported that their clubs were very anxious to plan their displays.

Much more interest in the amateur section is anticipated this year as the management has provided classes in this section for practically every variety of amateur planting to be found in home gardens.

Schedules for the garden club, flower arrangement and amateur sections will be ready for distribution in about thirty days.

Laborer Falls From Roof; Escapes Serious Injury

Falling approximately five floors to land on loose building material scattered around the base of the new city hall, Louis Johnson, 51, a workman on the project, escaped Monday afternoon with only minor injuries.

The accident happened while Johnson was working on the roof. Planks and stepladders broke his fall.

Johnson was taken to the Villa sanitarium where he is being treated for cuts and bruises. A native of Daly City, Johnson resides at 1022 Hanover street.

Whale Found On Shore Near Pescadero

The lighthouse keeper and residents at Ano Nuevo Point, near Pescadero, are theorizing these days about how a giant killer whale, which washed up on the beach there, met his death or why he chose the peaceful stretch of sand about a mile from the lighthouse to lie down and die.

The big mammal, which is about 40 feet in length and weighs an estimated 60 tons, in opinion of Lighthouse Keeper Frederick Kreth, was found on the beach not long after attendants in the lighthouse witnessed what appeared to be a fight of whales off shore.

However, the animal has no visible signs of injury. It still has no noticeable odor according to Kreth.

Rain Storms Hit San Mateo County

Swept by high winds, a howling storm Wednesday ended the Peninsula's three weeks of sunshine with more than an inch of rain that came as a God-send to coastside ranchers.

More than an inch of rain that fell at South San Francisco from midnight to 7 o'clock Wednesday morning flooded the underpass and forced highway commuters to detour.

Almost three feet of water flooded the underpass and was not cleared for more than an hour as Highway Patrolmen and South San Francisco officers detoured heavy traffic. Maintenance men kept pumps going.

Loosened by the unexpected downpour, dozens of large boulders crashed down slopes on the Ocean Shore highway at Pedro mountain, forcing highway maintenance men to close the road.

Up to 7 o'clock Wednesday morning, 1.18 inches of rain fell at South San Francisco, according to the weather bureau at Mills Field.

Wind velocity hit a high of 47 miles an hour.

To Form Girl Scout Council Here

Formation of a Girl Scout Council was announced in Daly City early this week. The council will take for its aim the promotion of girl scout work in this community.

Mrs. Paul G. Selmi was elected president and Mrs. Ivan T. Budaeff secretary-treasurer at a meeting held February 23 at 64 Vista Grande avenue. Other offices have not been filled yet.

In order to gain new ideas for council activities in Daly City, Mrs. Budaeff recently attended the Big Tree Convention of Girl Scouts of America. There were 787 council members in attendance, representing Washington, Oregon and California.

Plans are being made to incorporate the local council shortly. At a second meeting held yesterday (Thursday) at the home of Mrs. Jean O'Rourk, Evergreen avenue, arrangements were made to meet at least twice a month until the organization gets well under way.

Members of the council announce that they need the co-operation of every interested person in the community. The council will endeavor to aid Girl Scout leaders in every way possible—through financial assistance, providing of camping facilities and other equipment, worthwhile promotion work, and familiarizing parents with Girl Scout problems. It is hoped that the council will provide a general background for all Girl Scout activities in Daly City.

State Pledges Aid To Cow Palace

What was to have been San Mateo county's largest contribution to the San Francisco Exposition, the livestock pavilion at Visitacion Valley, will be belatedly finished by the state.

Definite assurance that the project will be completed was given recently by State Finance Director Phil S. Gibson who declared that the next step awaits completion of a study by Dr. Dewey Anderson, state relief administrator, as it is planned to complete the project with relief labor.

Car Skids on Highway Near Woodlawn Cemetery

Vince Pantaleoni, of Pantaleoni Brothers, 7046 Mission street, and his uncle, I. Toti, Burlingame, were the victims of an accident at 8 a.m. Wednesday morning when the car in which they were riding skidded on the wet pavement and hit a telephone pole, on El Camino Real across from Woodlawn cemetery.

Pantaleoni escaped injury but his uncle was cut badly and had to have several stitches taken at the Junipero Serra hospital before returning to his home in Burlingame.

Fire Department Sets Date For Dance

At the regular meeting of the Daly City fire department Monday evening it was unanimously voted to hold the anual dance Saturday evening, May 13, at Colombo hall.

Chief Chesney reappointed the same committees that have handled the affair so successfully in past years. This year it will be known as a "49'er dance," and costumes will be those of the Gold Rush days.

Tickets may be obtained from local firemen. Officers of the fire department expressed their hope that other Daly City organizations would arrange their programs so that the night of May 13 may be left clear for this event.

To Determine Fate Of Bus Line Soon

Conduct Surveys to Ascertain Probable Number Of Patrons New System Might Expect

Whether or not Daly City will run a municipal bus line to the western portal of Twin Peak's tunnel to speed commuter transportation to San Francisco will be determined by April 1, it was announced today by Mayor Paul G. Selmi.

Surveys to determine the probable number of patrons on such a route are to be completed shortly. Method of financing the bus system, routes, and time schedules will be worked out as rapidly as survey figures are computed.

ASK COOPERATION

City officials are asking complete cooperation from residents within the next two weeks in order to speed progress on the plan. Return postal cards bearing a questionnaire will be distributed to every home next week.

Questions regarding the number of commuters to San Francisco, time of travel to and from the city, and other facts which will vitally affect the bus plan are being asked.

"If these questions are carefully and completely answered," announced Mayor Selmi, "we shall then know what can be done to solve our transportation problem."

The proposed bus line, it is estimated, will make possible a savings of 10 to twenty minutes in traveling time from here to down town areas.

For further details turn to "Civic Progress," page 4.

Appoint Daly City People to Committee

Twenty civic leaders and citizens of Daly City and vicinity have been appointed to serve on the reception committee for the Governor's Reception and Ball at Bay Meadows Club house tomorrow evening (Saturday). Daniel J. O'Connell, general chairman, and James J. Kehoe, co-chairman, who made the appointments, stated that among the honored guests at the affair would be Governor Culbert L. Olson, Lieutenant Governor Ellis E. Patterson, Mayor Angelo J. Rossi of San Francisco, and George Reilly, member of the state board of equalization.

The dance will start at 9 p. m.; grand march is set for 10 p. m. In addition to local and state dignitaries Sally Rand and Miss Audrey Anderson, Oakland, queen of the Golden Gate International exposition will attend. All peninsula queen candidates in the recent premiere celebrations have also been invited.

The appointees to the reception committee include Mayor Paul G. Selmi, John Fahey, sr., H. H. Smith, Al Witt, jr., Anthony Gaggero, Frank Garibaldi, Bert Lasswell, Joe Garibaldi, Dr. A. H. Rankin, E. J. Halcrow, William Callan, Judge Wade H. Clay, Joseph Alteri, Chief Bernard Hilton, Elton McGraw, Mayor Jensen of Lawndale, Jay Jenson, Ed Weisenburger, Noble Johnson and Joseph Cavalli.

Finish Pouring Concrete On New City Hall Job

Tuesday marked the completion of concrete pouring on the new city hall job. In all more than 600 cubic yards of concrete have been used in constructing the building.

All material has passed severe quality tests at Golden Gate Atlas Materials plant before delivery.

Plan for County Day at Exposition

Plans for San Mateo county day at the Golden Gate International exposition are expected to be drawn at a meeting of representatives of 220 county organizations tentatively set for March 16 at the San Mateo civic center auditorium.

Invitations to the meeting are being sent representatives of the 220 organizations and to various public officials which will swell the total number of representatives to more than 300.

Marine Corps Will Accept Applicants During March

During March, the United States Marine Corps will accept a limited number of desirable American citizens for military service in the United States, in foreign countries and aboard vessels of the Pacific fleet, according to Postmaster Albert Raymond.

Application blanks and literature may be obtained at the local post office, or by writing to the Marine Corps recruiting station, 46 Federal Office building, San Francisco.

Unemployed Receive January Checks

January unemployment insurance checks distributed in San Mateo county amounted to $21,185.31, according to Wade Sargent, manager of the department of employment office. A total of 2,078 checks were distributed in this area during January.

January payments increased the number of checks disbursed in this area to 24,533, in the total amount of $248,347.46, since payment of unemployment insurance began in February, 1938. State wide totals indicated 278,609 checks distributed in California during January in the amount of $2,627,604.10 bringing the total distributions up to and including January 31 to 2,762,920 in the amount of $26,384,787.26.

In addition to the above activities this office placed 595 workers in employment. This represents jobs filled in building trades, manufacturing industries, professional and clerical workers, domestic and personal service. This placement activity is the result of the increased use of the local employment office by employers.

Enthusiasm High For Baseball

It has been said that "In The Spring A Young Man's Fancy Lightly Turns To Thoughts Of Love," but according to the enthusiasm rampant on the Jefferson Union high school diamond it also turns toward baseball. This has been made evident by the freshman class of the high school, who have turned out in large numbers for their spring practice under the very able tutelage of Pat Sloan, baseball wiseacre of the Daly City Recreation department.

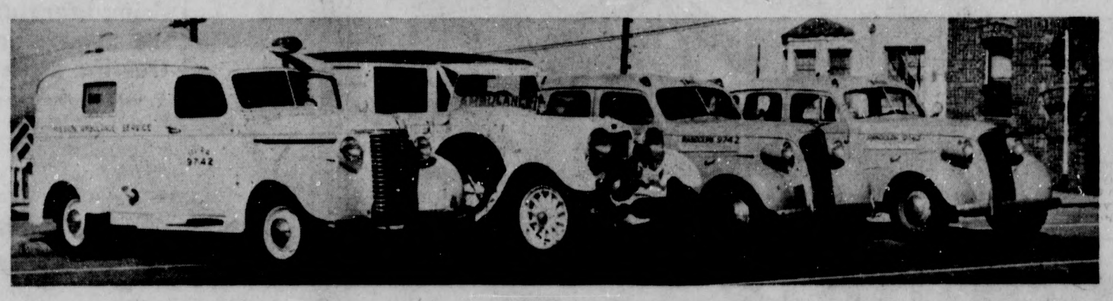
Each afternoon from Monday to and including Thursday, Sloan has these youths cavorting on the in and out field, teaching them the rudiments and high points of the great national game.

As the season advances, they will be taught the highlights of the game, or "inside baseball," until they become proficient. It is believed that under the coaching of Sloan, the Jefferson high school freshman team this year will be one with which to reckon.

On Friday afternoons and Saturday mornings from 9 a. m. to 12 noon the field will be at the disposal of grammar school boys under the same tutelage and later in the season a league of grammar school boys of the Daly City schools will be inaugurated.

All grammar school boys who desire to take up baseball should report to Sloan on Fridays and Saturdays for enrollment.

New Ambulance for Daly City



Pictured above is the fleet of ambulances and taxicabs operated by Mission Ambulance and Daly City Cab Service. Latest addition to the fleet is the ambulance pictured to the left.

Featuring the latest in modern emergency equipment, the new ambulance can efficiently handle all cases. Service is on a 24-hour basis for both ambulances and taxis, covering the Daly City field and northern San Mateo county.

Russians Convene, Speed 'Plan'

Photograph shows Josef Stalin (left), Soviet dictator, and Premier Viacheslav M. Molotov, directors of the Russian Communist party's eighteenth congress which opens today (Friday). Chief business before the convention is speeding of Russia's second five-year plan to complete one of the most gigantic development programs in history by 1942.

Celebrate Third Birthday Of Billy Brush

Celebrating the third birthday of their son Billy, Mr. and Mrs. William Brush entertained at their home on Santa Cruz avenue Wednesday evening of last week. Although the party was given March 1, Billy was born February 29, during leap year.

Guests were Mrs. Mary Brush, Mr. and Mrs. Arthur Alviso, Miss Marcie Monette, Miss Barbara Monette, Miss Nellie Gargan, Joe and Phil Gargan, and Mrs. Betty Brush.

Mrs. E. Byrne, Mission street, entertained at luncheon Wednesday. Guests were: Mesdames Nell Caine, L. Davis, and Anne Eason; Misses Pearl Caine, and Dorothy and Hazel Eason.

Mrs. James Bedel and son Jackie, Palo Alto, spent Sunday visiting her mother Mrs. Lena Hutchings, Vista Grande avenue.

Here's a Short Short Story

Here Is A Short-Short Story from the files of the National Safety council. It is about Charlies, the car-conversationalist. Charlie just loved to talk. The moment he got behind the wheel of his car, ideas seemed to flow from him like water from a faucet.

He would get so wrapped up in what he was saying that often he would forget he was driving. Not only did he take his eyes and his attention off the road, but at times he even took his hands off the steering wheel to make a point.

One day Charlie, engrossed in his conversation, did not notice that the truck in front made a quick stop. The first thing Charlie knew he was hanging on a tree, and the front end of his shiny automobile had the look of a well-built accordion.

The moral Well, as Charlie put it afterward, "You just can not do two things at once. You either drive or you talk, but you can't do both at one time."

SAN MATEO COUNTY TRAFFIC SAFETY COMMISSION

Miss Eleanor Hutchings, Vista Grande avenue, spent Sunday at Woodacre, Marin county, visiting with friends.

Scouts And Cubs Hike Across Gate Bridge

Last Sunday, 15 Boy Scouts and 10 Cubs of Troop and Pack No. 149 hiked over the Golden Gate bridge to Sausalito.

Starting in the morning, they reached Sausilito about noon. They had lunch on the beach, after which they played games and watched the army gunners in machine-gun practice.

Later, the boys visited the Sea Scouts of Ship No. 149 who have their whaleboat in drydock. It has been in Sausalito for many weeks being repaired, cleaned, and repainted. It is now ready for relaunching and for many new adventures.

Not wishing to return by the same route, the scouts and cubs returned by ferry at about 3:30 p.m.

Jackie Kusber, son of Officer and Mrs. Joseph Kusber, Vale and Werner streets, is a patient at St. Mary's hospital where he recently underwent an appendix operation.

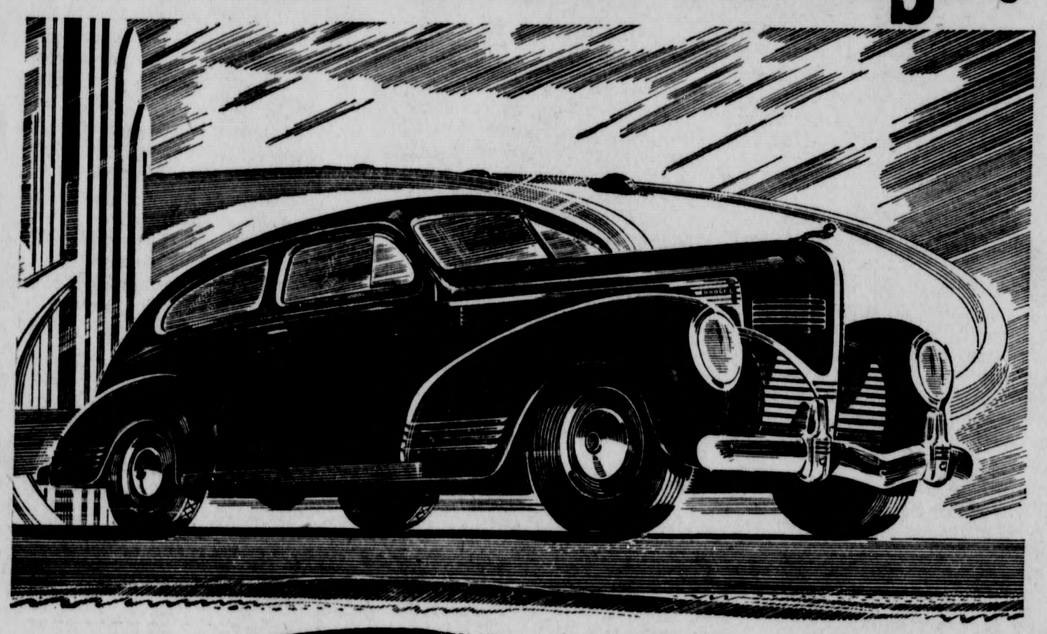
What Big Luxury Car is Famous for Gas Savings?



TAKE A LOOK ...THAT'S ALL DODGE ASKS!

THOUSANDS of motorists are asking: "What 1939 car not only leads in style and beauty but saves money as well?" To this important question, Dodge says: "Why not decide for yourself? Take a Look...that's all Dodge asks!"

Take a look at every part of this exciting new Dodge—then take a look at the engine. It not only gives you all the proven money-saving features that have won for Dodge a nation-wide reputation for economy, but offers, for 1939, new advancements for even more efficient operation!

Last, but not least—take a look at the price tag! You'll be amazed—for this big Luxury Liner is priced *even lower* than last year's Dodge!

Tune in on the Major Bowes Original Amateur Hour, Columbia Network, Every Thursday, 9 to 10 P.M., E.S.T.

TAKE A LOOK! New headlights—wider apart, closer to road—for safer night driving! Greater visibility in rain, fog and snow! Grille guards, pictured above, at slight extra cost.

TAKE A LOOK! New handy gearshift near the steering wheel at no extra cost! You shift in the standard "H" pattern—nothing new to learn! Not an "attachment," but an integral part of the car. Floor is clear for real comfort for three in the front seat!

GOOD NEWS FOR USED CAR BUYERS!
Now you can get a Dodge *used* car which, in many ways, is just as modern as many competitive-make 1939 *new* cars—*and get it for only a fraction of the cost!* Here's why: there's such a great demand for the new 1939 Dodge that buyers are actually turning in fine late model Dodge cars 'way ahead of time! And these cars are being sold by Dodge dealers at amazingly low prices! See your dealer today!

The New 1939 DODGE Luxury Liner

De Soto Has Made Riding Comfortable

Engineers Apply Knowledge Of Mechanics of Human Body to Improve Qualities

Marked improvements in riding qualities, which constitute one of the biggest advances made in automobiles in recent years, have been largely due to knowledge gained through studying the mechanics of the human body.

DeSoto engineers, by analyzing the average person's normal walking gait, have produced a soft, steady, comfortable ride attuned to the human anatomy. They have made the car "walk in step" with the normal walking gait of the average human being.

Exhaustive Tests

Through a series of exhaustive tests, the average human gait was determined to be about two and one-half to three miles per hour, or eighty to one-hundred steps a minute — a pace to which the human anatomy is accustomed by nature and which produces a minimum amount of fatigue. By making the front and rear spring action coincide approximately with this normal walking gait, it was possible to make the car translate road shocks into the slow rise and fall most comfortable for the human body and to thus protect passengers from any unnatural, fatigue-causing movement.

Engine Forward

Besides this DeSoto engineers moved the engine forward with respect to the front wheels. This made it possible to move the rear seat forward of the rear wheels, thereby changing the centers of percussion and "cradling" passengers between the axles. The result was a balanced weight distribution that eliminated the old bouncing ride experienced on rough roads in all cars a few years ago.

Other factors contributing to De Soto's improved riding qualities are airplane-type shock absorbers, independent front wheel springing, rubber float body mountings and a sway eliminator bar. The sway eliminator bar keeps the car on an even keel and, consequently, eliminates sidesway, which experiments have proved to be the most fatiguing of all car movements.

NEW BEAUTY MARKS 1939 DODGE LUXURY LINER

An eyeful of beauty aptly describes the brilliant new 1939 Dodge "Luxury Liner" 4-door Sedan shown at top. Wide, deep seats, improved visibility, a novel gear shift, individual-action front wheel springing and a variety of important safety features are among improvements that distinguish the new cars. Lower left—the 27 per cent larger luggage compartment is completely concealed by the graceful rear sweep of the new "Luxury Liner" Sedan. Lower right—beautifully streamlined front ensemble of new Dodge "Luxury Liner." Head lamps, set flush in fenders, are 13 inches farther apart, thus giving better road illumination for night driving.

New Plymouth Station Wagon

Rapidly-growing use of this informal body type is forecast by the industry, with larger production scheduled for Plymouth's new 1939 Station Wagon, just announced. Smarter style and luxurious comfort for 8 passengers, plus bigger carrying space for luggage or other loads, feature the new design.

A crack in the distributor cap is a frequent cause of ignition trouble, according to the California State Automobile association. Dust, grease, or other conductive material will collect in the crack and cause a spark to jump, interrupting the normal functioning of the distributor.

To Feature Zorima At "Village"

"Zorima", sensational star of a girl revue at the Chicago world's fair, will be a featured attraction at Greenwich village on Treasure Island. Hailed as one of the world's most beautiful women, Zorima and her fellow nudists will share honors with the mammoth girl revue comprising 100 artists' models. The revue will be presented daily at the "Thieves of Bagdad" theatre, the main edifice of Greenwich village.

The date on which this little Bohemian center of Treasure Island will have its gala opening will be fixed in the next day or two, it is announced by officials of Greenwich village. It is anticipated that the opening is less than a week away.

John Nordquist, Bellevue avenue, has been ill for the past week and confined to his home.

Mr. and Mrs. Henry Sciutto, 124 Station avenue, are the proud parents of a son born February 28.

Local Car Dealers Swing Into Month Of Record Sales

Sales Agencies in Daly City Offer Wide Range From Which to Select New 1939 Models

There's no greater motoring pleasure than driving your own new car, and with this theme in mind local car dealers swing into another month of record sales.

The Daly City field is well supplied with a variety of models from which to choose. Price ranges suit all needs. Six wide-awake car dealers are agencies for Plymouth, Dodge, DeSoto, Chrysler, Buick, Chevrolet, Ford, Mercury, Lincoln and Lincoln Zephyr.

Service Work

All of these agencies are completely equipped to efficiently service their respective models.

Belli Motor company, Buick and Chevrolet dealers, Market and Mission streets, send congratulation to Eugene Wickershiemer, 1429 Rolph street, San Francisco, on the purchase of a Buick deluxe sedan this week.

Pantaleoni Brothers, local Dodge-Plymouth agency, through O. C. Bartens, general manager, congratulate Louis Romani, 49 Niagara street, San Francisco, who this week purchased a deluxe Dodge sedan.

Mission Auto company, Chrysler-Plymouth dealers, congratulate a number of new car owners through A. L. Timossi, general manager. Timossi declared that Chrysler's economical operating costs with no sacrifice of appointments, have started a definite trend toward both the Chrysler Imperial and Chrysler Royal.

"The DeSoto's spacious luggage compartment has placed this car foremost in the minds of vacation-planners," the management of Donahue and Laufenberg, DeSoto-Plymouth dealers, enthusiastically declared today.

New Low-Priced Car

A new car for the low-priced field has been informally announced by the Studebaker corporation. The new model will be 500 pounds lighter than other popular low-priced automobiles. William J. Sweeney is Studebaker dealer for this area.

Five models are featured by the National Auto company., local Ford agency, Ford V-8 85, Ford V-8 60, the new popular Mercury, the Lincoln Zephyr and the Lincoln. A. J. Bertini, manager of the agency, this week sends congratulations to a number of new buyers.

U.S. No. 101 Construction

Contract has been awarded for the reconstruction of approximately five miles of the Coast Route South, U.S. No. 101, reports the San Jose office of the National Automobile club. The work is to be between a point two miles south of Greenfield and Soledad.

Drinking and Driving

"How many drinks is it safe to take before driving an automobile?" None, states the public safety department of the National Automobile club. Even small doses of alcohol affect the judgment of the driver and may cause serious accidents. The safe motorist will never take a drink before driving.

Set Inter-American Travel Conference For April 14 to 21

Noted leaders in the travel and transportation field, ranging from Canada to South America, will gather in San Francisco April 14 to 21 for the first Inter-American Travel conference.

Promotion of tourist travel among the nations of the western hemisphere is the object of the conference, first of the kind ever held. The gathering will be under auspices of the Golden Gate International exposition, with the co-operation of the Pan-American Union.

General Improvement

Improvement of all travel facilities, from simplified passport arrangements to the general betterment of air, rail, and highway services, is the pervading aim of the program of subjects to be taken up at the conference.

The gathering will bring together representatives of the governments of the United States, the twenty Latin-American republics, and the Dominion of Canada, as well as the leading civic and private organizations interested in travel promotion.

The American Automobile association has been asked to lead the highways phase of the conference and the California State Automobile association is seeking the attendance of representatives of affiliated motor clubs of the Western Automobile Clubs conference.

Northern Calif. Car Dealers Elect Officers

Northern California dealers who attended the annual get-together and election of officers at Treasure Island in San Francisco Bay, site of the Golden Gate International Exposition, last week were back at their desks today convinced that the meeting had done much to further the aims and purposes of the dealer body.

G. O. Smallcomb, Burlingame, was re-elected president and pledged anew his efforts to protect the interests of the motorists by carefully watching legislation which would tend to increase taxes on the motor car owner and user.

Better Highways

The organization is also pledged to work for more and better highways and to co-operate with all these agencies which are striving to improve traffic conditions and reduce the traffic accident toll.

Speakers at the annual meeting in the Administration Building on Treasure Island in addition to Smallcomb, dealer association president, were Senator "Jerry" Seawell, L. A. Ireland of the Printers Board of Trade, and Berkeley Neustadt of the Anglo-California Bank.

Other officials elected at the meeting were Carl Voss, Salinas, vice-president; J. J. Jacobs, Sacramento, treasurer; L. O. Normandin, San Jose, secretary; Tod Bates, San Francisco, manager.

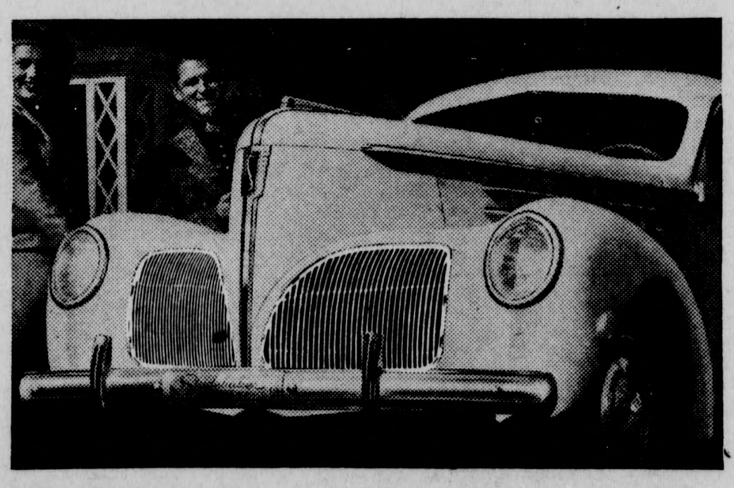
Here's official proof of Studebaker gas saving..
Studebaker wins
America's greatest economy run!

Heading for the finish line and a record for gas economy! The car is a stock Studebaker Commander, photographed on one of the ice-coated mountain trails in this year's Gilmore-Yosemite Run.



Studebaker Commander wins sweepstakes trophy . . . Studebaker President 1st in class! Pictured is one of the two trophies for gas economy that Studebaker won under A. A. A. supervision.

EVERY day you drive your Studebaker, you realize why Studebaker won the great American economy contest—the Gilmore-Yosemite Sweepstakes—conducted under strict American Automobile Association supervision. You find that you're money ahead because Studebaker's great engineering enables you to wring money-saving extra mileage out of every gallon of gasoline.

Go for a half hour's drive and see for yourself why thousands of America's smartest car buyers are putting their money into Studebakers this year. Studebaker's planar suspension, automatic hill holder, non-slam rotary door latches, and steering wheel gear shift lever are all included in the low price. Your present car may cover part, perhaps all the down payment, on easy C. I. T. terms.

CALENDAR OF THE FUTURE

The World Calendar plan is being studied seriously throughout the World. It is visualized—in an exhibit in the New York Museum of Science and Industry in Rockefeller Center, New York, where a great many persons are furnished an opportunity to obtain a sort of birds-eye-view of how men have reckoned Time through the ages. They behold the defects in the existing "horse-and-buggy" arrangements for the measuring of Time, and other more recent arbitrary adjustments of the Julian Calendar which were partly amended by the Gregorian Calendar, when George Washington was a young man.

The calendar can be made to conform to a 12-month equal quarter plan of revision, which meets the approval of thoughtful persons who have studied this subject. Fourteen governments in different parts of the World have approved the World Calendar plan. It re-arranges the length of the familiar 12 months, equalizes the quarters and makes the calendar perpetual, every year the same. The first month of every quarter has 31 days, and the other two months, 30 days. Every quarter begins on Sunday and every year also begins on Sunday, January 1. The World Calendar harmonizes with the solar-year and its four seasons, by adding an extra Saturday at the end of every year and an extra Saturday in Leap years. It all makes sense which is why sensible persons are convinced that it should be put into World use.

ACTIVITY CALENDAR

SATURDAY, MARCH 11

7 p. m.—
Regular weekly meeting, Girl Scout Troop No. 2, Theatre hall.

Features and Editorials

Christian Science Lesson-Sermon

"Substance" Is Subject

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, a Lesson-Sermon will be read Sunday, March 12, on the subject "Substance."

The Golden Text will be: 'Honour the Lord with thy substance, and with the firstfruits of all thine increase" (Prov. 3: 9). Bible selections will include the following passage from Psalms 48: 1, 14: "Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his holiness. . . . For this God is our God for ever and ever: he will be our guide even unto death."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "Substance is that which is eternal and incapable of discord and decay. Spirit, the synonym of Mind, Soul, or God, is the only real substance" p. 468.

Civic Progress By Mayor Selmi

SURVEY

A survey is being made which will determine definitely whether or not Daly City is to have a municipally owned bus line operating between Twin Peaks tunnel and Daly City.

Paul G. Selmi

Cards should be delivered to you not later than the first of next week. Several questions are asked. The compiled answers will be the determining factor in our move to solve our transportation problem.

Your co-operation in this matter is very important to the welfare and development of our city. Please answer the questions on the card fully and return them promptly.

PAVED STREETS

Hope for the acquisition of paved streets in the southern end of Daly City lies with the chance that the Congress of the United States appropriates additional funds for PWA projects and that the time limitation provision in the law governing PWA projects be extended.

Our application for WPA funds in the further development of our parks and playgrounds is back in Washington, D.C., and we hope that in a very short time work on them will be under way.

Daly City Directory Being Distributed

This week saw the completion of the Daly City Directory for 1939. First copies returned from the bindery have been delivered to advertisers but all residents will shortly receive their free copies.

A Daly City Record representative will call at each home in Daly City to personally deliver the book.

Motor to Alameda

Mrs. T. P. Tallon, Risel street, accompanied by Mesdames Jane Mullally, Flo Anderson, Lorene Wolff and Della Rommell, motored to Alameda Wednesday evening where they attended the meeting of their bridge club.

Mrs. Grace Tarr, Alameda, acted as the hostess.

THERE IS SOMETHING NEW

There is something new under the sun. Every now and then a new recipe breaks like a ray of light through the clouds of monotony in meal planning. And how it does brighten the outlook of anyone who is responsible for the planning of the inevitable three meals a day. It is just as uninteresting to prepare the same few dishes over and over as it is for the family to find them on the table too frequently.

Desserts may be your particular bugaboo. Perhaps you just can't think of how to end that good dinner you have planned, or perhaps you can turn out a sweet in the twinkling of an eye and your hobby is collecting new dessert recipes. In either case you will surely want to file this grand recipe for Magic Jelly Freeze and it won't be buried in the files, either. This dessert disguises its economy in a velvety texture very like ice cream. It truly lives up to the magic of its name for it will enchant your guests and your family. They can't believe it has not been made with whipping cream!

MAGIC JELLY FREEZE

Ripe banana
2/3 cup blackberry jelly
⅛ teaspoon salt
½ teaspoon grated orange rind
2 egg whites
½ cup milk
1 teaspoon lemon juice (approximately)

Force banana through fine sieve, measure ¼ cup puree and place in bowl. Add remaining ingredients except milk and lemon juice. Beat with rotary or electric beater until very stiff and creamy (6 to 10 minutes) or until mixture has lost its spongy texture. Gradually fold in milk. Add lemon juice and blend thoroughly. Turn into freezing tray of automatic refrigerator. Set temperature control at coldest position and freeze, without stirring, 3 to 4 hours, or until firm. Or turn mixture into mould, cover tightly, and pack in equal parts ice and ice cream salt 4 to 5 hours. Serves 6.

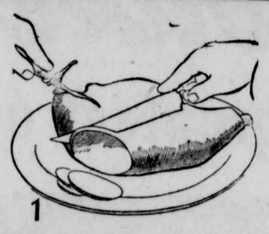
Perhaps you are wondering why the recipe calls for "1 teaspoon of lemon juice, approximately." Jellies vary so in their sweetness that some will need more lemon juice than others. The old reliable taste test will tell you when you have the right amount of juice for the jelly you are using.

The secret of perfect texture, so essential to the success of any frozen dessert, lies in the beating. Be sure to beat the mixture beyond the spongy stage. You need not worry about beating it too hard or too long by hand. You may even stop and rest for a few minutes with no bad results. The whip does not lose any volume with this neglect. When using the electric beater, you will need to observe the beating time more carefully.

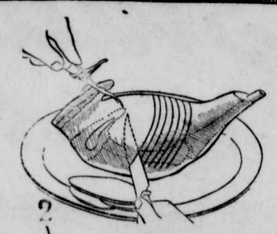
And one of the nicest things about this dessert, is that all of the materials for making it usually are on the pantry shelf or in the refrigerator. Any variety of jelly, jam or preserves can be used in making a Magic Freeze. However, the products made from the more strongly flavored fruits such as blackberry, black raspberry, and grape will be more successful as far as flavor is concerned. Flavor, you know, must always be given special emphasis in frozen dishes because it is not so pronounced after freezing.

Refrigerator desserts are a boon to the busy housewife. It is such a comfortable feeling to know that the perfect ending for dinner is tucked safely away, and may be forgotten until time to serve and requires no attention when you are busy with the last minute details of getting dinner on the table. Magic Jelly Freeze is a refrigerator dessert par excellence because it requires no stirring during the freezing process in spite of the fact that it contains no cream.

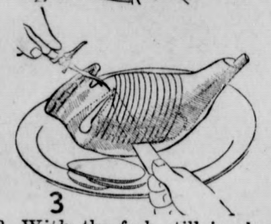
EASY WAY TO CARVE LEG OF LAMB



1. Place platter so that the leg bone is to the carver's right. Insert the fork firmly into the large end of the leg and cut two or three length-wise slices from the side nearest the carver.



2. Turn the leg so that it rests firmly on the surface just cut. Holding the roast firmly with the fork inserted into the left end, and beginning at the shank end to the right, make the first slice down to the leg bone and continue to make thin slices parallel to the first until aitch bone at the large end is reached.



3. With the fork still in place, the knife is run parallel to the leg bone to free the slices all at one time. The slices should be about one-fourth to three-eighths of an inch thick.

Highway Beautification Program Under Way

San Mateo county's highway beautification program will begin to show results in three weeks, according to Planning Commissioner Ronald Campbell.

The alien relief clients, employed on this project, started planting 50 flats of flowers on Bayshore Highway today. He predicted they would bloom in three weeks. Already planted, but not particularly noticeable, are 2200 trees and shrubs planted on Bayshore Highway between Redwood City and South San Francisco. In three years they will be large enough to attract attention, he predicted.

As soon as WPA has sufficient men the county will start beautification projects on Skyline boulevard, El Camino Real, Canada and Woodside roads, and San Bruno avenue, Campbell said.

Meanwhile, as a harbinger of economy in San Mateo county government, the recreation committee yesterday approved a budget of $8950 for 1939-40 and sent it to Executive Frederick Peterson for confirmation. The total was $18 less than this year's. Included is an item of $6300 to continue WPA park development project.

The commission approved a proposed tree-planting ordinance and terms of an easement to Guadalupe canal, Brisbane, for the Lagoon Park there.

Formation of a new organization, known as the "Friends of the Huntington Library," whose purpose is to increase the circle of those taking an informed interest in the famous institution, was announced recently.

EPISTLES

"Ye are our epistle written in our hearts, known and read of all men."
2 Cor. 3:2.

Epistles are messages by means of which people are informed concerning events and other people. These messages may be in the form of letters, or they may be read indirectly in the lives of others.

A noble Christian life is one of the best letters that can be sent into the world concerning the news of the kingdom. Men are led to obey God more by the examples of pure clean lives than by many precepts and lectures.

The Apostle Paul needed no letter sent to the world if it could only come in contact with one of these Corinthians. The message that he had to bring and the glad tidings of the kingdom which he took with him, were shown in the altered lives of those who had accepted the gospel story and who conformed to the teaching of the same.

It makes no difference what one professes to be, if his life contradicts that which he says he is, the world will soon known what the person really is. Happy is he who make his practice conform to his teaching, and both agree with Jesus and his righteousness.

GIGGLISMS

**By EDDY SHAPER
"Whistling" Song-Bird
of the Air Lanes**

Eddy Shaper popular air-lane "Whistler," will contribute to this column weekly. Says Eddy: The world would be a better place in which to live, if everyone smiled more often, and laughed heartier. In his column of "Gigglisms" Eddy will do his darndest to write that certain something to help you get a laugh or two out of his funny cracks and sayings.

City Man: "Why are you running that steam roller over your field, mister?"

Farmer: "I'm raising mashed potatoes this year."

Diner: "Waiter this soup is spoiled."

Waiter: "Who told you?"

Diner: "A little swallow."

It's silly to put a fence around a cemetery,
The ones that are in can't come out,
And the one that are out,
Certainly don't want to go in.

Sign in a Dyeing and Cleaning establishment window:
Some live to die—We dye to live.

I'll tell you why there are more accidents in autos than on ships—
'Cause you never saw a captain put his arm around the first mate.

Sign in Restaurant — Eat here and you won't starve. Don't eat here, and we'll both starve.

Riddles

1. What kind of animals have the smallest feet?
2. Why is the letter "A" like 12 o'clock?

Answers

1. The smallest animals.
2. It is the middle of day.

Mrs. Foppiano Entertains Ladies Auxiliary

Members of the Ladies Auxiliary, Station No. 4, Daly City fire department, were entertained Tuesday evening at the home of Mrs. Flora Foppiano, Evergreen avenue.

Following the business meeting, St. Patrick's day games were played. Table decorations were in green.

Those present were Mesdames Henrietta Mather, Maynard Chesney, Mae Doyle, Eleanor Davis, Florence Sundstrom, Theresa Vireno, Agnes Doyle, Laura Coleman, and Grace L. Augustien.

SAVE GAS

Intelligent use of the car's momentum will reduce fuel consumption, according to the emergency road service of the California State Automobile association. For example, when starting up a grade shift to second gear before the car slows down to less than 25 miles per hour. This practice also relieves bearings from being overtaxed on a hard pull.

Schools

Weekly News of the Schools And Parent-Teacher Association Activities

Professors Order Students to See Drama at Alcazar

Probably the most pleasant assignment ever given out was that handed to students at Stanford university when two professors there ordered them to see "Run Little Chillun," at the Alcazar.

Students of music and drama were assigned to see the all negro musical drama by Professor Henry Lanz of the drama department and by Professor William Allen of the music department. They are required to make a report of their reactions to the play.

Professor Allen says the play is one of the best he has ever seen. He tells his students that "Run Little Chillun" is one of the "significant musical events of the country."

Professor Lanz, who also teaches philosophy, is particularly impressed by the fine character portrayals in "Run Little Chillun."

The play is now in its eighth week at the Alcazar. Despite the fact that this is the longest any Federal theatre play has ever run in San Francisco "Run Little Chillun" continues to be seen every night by hundreds of visitors to the Exposition.

Driving Nuisance

Road hogs and slow drivers are the greatest highway nuisances, it was recently discovered in a ballot taken among motorists, reports the safety department of the National Automobile club. Too, there is an overwhelming sentiment among these voters for compelling pedestrians to obey traffic lights.

High School PTA Completes Reports

Members of the executive board of Jefferson Union high school P.T.A. were luncheon guests Thursday of last week at the home of Mrs. Martha Linden, Niantic avenue. Mrs. Susie Sanders was co-hostess.

At the business meeting which followed the luncheon final reports were completed for the year ending March 15.

Members of the unit expressed thanks to teachers and students who presented the splendid show at Jefferson Union high school Thursday evening, February 23.

Members of the group have received an invitation from Fathers Forum to attend Mothers' Night, Tuesday evening, March 21, at the General Pershing school.

Next regular meeting of Jefferson Union high school P.T.A. will be held Wednesday afternoon, March 15, in the little theatre at the high school, 2 p.m. Election of district convention delegates and of general officers will be held then.

Woodrow Wilson P.T.A. Executive Board To Meet

Executive board of Woodrow Wilson P.T.A. will meet at Woodrow Wilson school, Santa Barbara avenue, next Tuesday at 2 p.m.

District executive board meeting to be held at the Burlingame high school next Monday will be attended by Mrs. Louise Laston, president of Woodrow Wilson P.T.A. She will present her report there on the completion of the year's work.

By Boat and Car They Flock To Fair

Descending upon the "magic city" in the middle of San Francisco Bay, gleaming white in the sunlight and glowing in warm, pastel shades of glamorous color at night, crowds broke all attendance records for Expositions in early days on Treasure Island. Here hundreds of autos roll smoothly through the entrance gates while a ferry boat (upper left) leaves the slip after carrying thousands from San Francisco to the World's Fair.

Crocker P.T.A. To Elect Officers

Election of officers will be the important item on the program at the next regular meeting of Crocker P.T.A. to be held next Tuesday at 1:30 p.m. in the Crocker school. The theme of the month is "The Home Educates for Health and Safety." Girl Scouts will present part of the program.

A special meeting of the Sew and Sew Club was held at the home of Mrs. Julia V. Jordan Thursday of this week in honor of Mrs. Laura Larson, who is moving to Modesto soon. The ladies spent a very enjoyable afternoon at the new home of Mrs. Vivian Pahlka Thursday of last week; fifteen were present.

The drawing for the quilt which was made by ladies of the Sew and Sew club is to be held on March 14.

Mrs. Virginia Davidson will represent Crocker P.T.A. at the Presidents meeting in Burlingame next Monday.

There will be no meeting of the Sew and Sew's next week.

An enterprising insurance company in Rome has a new bonus plan giving a gas-mask free to everyone taking out a policy.

Jeff Hi Students To Hear Famous Athlete

Jim Thorpe, famous all-round athlete, will appear in an assembly at Jefferson Union high school March 21, according to an announcement from the physical education department this week. Receipts will be used for the injury fund.

Mr. Thorpe is a full-blooded Sac and Fox Indian, who first rose to prominence in the sports world as a member of the great Carlisle Indian football team. Later he represented the United States at the Olympic Games in Stockholm, Sweden, where he won both decathlon and pentathlon.

A champion in many forms of sport, Mr. Thorpe has been featured in several motion pictures. His latest appearance is in the current production "Big City."

Federal Music Project To Give Second Concert

The Federal Music Project of the Works Progress Administration presents its second concert, in a series of four symphonic events, in the Veterans auditorium, Tuesday evening, March 14, at 8:30 p. m.

The highlight of this concert will be Hector Berlioz's masterpiece "Symphonie Fantastique." This work is not as often heard as the more conventional symphonies.

Bernhard Abramowitsch, pianist of note, who makes his San Francisco debut at this concert playing Beethoven's C Minor Concerto, recently won a diploma at the International Contest for Piano in Vienna.

General Pershing PTA Holds Election

General Pershing P.T.A. held their regular meeting Tuesday, March 7, at the school, Hanover street.

Mrs. Ann Eason, delegate, gave a talk on the Founders day meeting of the seventeenth district held Friday, February 17.

Mrs. John Bevans, Lomita Park, spoke on "Safety in Connection with the School."

The nominating committee gave their report of the officers nominated and the following were elected for the coming year: Mrs. Marge Calvin, president; Mrs. Alice Bryan, honorary vice president; Mrs. Amelia Siino, vice president; Mrs. Ann Lucas, recording secretary; Mrs. Alice Raynor, corresponding secretary; Mrs. Cassassa, financial secretary; Mrs. Eva Carnevale, treasurer; Mrs. Getha Mejia, historian; Mrs. Marge Prescott, auditor; Mrs. Ilda Marquis, parliamentarian.

The sewing club met at the home of Mrs. Sadie Welsh, Hanover street, Wednesday afternoon.

A candy sale and afternoon whist, with Mrs. Sadie Welsh as chairman, will be held at the General Pershing school, Hanover street, Thursday, March 16.

The rummage sale originally scheduled for May 16-17 has been changed to May 4-5. Anyone wishing to donate to this sale, contact Mrs. Ilda Marquis, 173 Templeton avenue, phone DElaware 8444.

Bayshore P.T.A. Will Hold Regular Meeting Today

Regular meeting of the Bayshore P.T.A. will be held today (Friday). The nominating committee will bring in their report at this meeting.

Annual reports are due by March 15. All chairmen are urged to get their reports ready so they can be taken down to the Presidents' meeting, Monday, March 13.

Plans are being made for a night whist to be held in March.

DAUGHTERS OF ISRAEL

Daughters of Israel will hold their regular monthly whist next Thursday evening at 8:30 p.m. at 67 Los Banos avenue.

The public is cordially invited to attend.

Congress of Parents And Teachers Pledge Co-operation

California's twentieth annual observance of Public Schools Week, beginning Monday, April 24, will be given the full co-operation of the California Congress of Parents and Teachers, representing 237,000 members, according to a public statement made this week by Mrs. James K. Lytle, state president of the organization.

"The California Congress of Parents and Teachers invites the public and parents generally to participate in the forthcoming public schools week observance. This annual week is an attempt to get the public back to their schools. There is no substitute for parental interest in the child.

"The congress joins other interested statewide groups in urging the parents and the public to join in making this an open house week in the schools so that there may remain definite values for the children through the increased knowledge and better understanding gained by their elders as a result of such activities."

Last year during the week more than 1,000,000 visitors throughout the state attended events in the public schools.

Jaysee To Revive Gold Rush Days

Les Steers, San Mateo junior college high-jumper just back from an invasion of the East, broke the western record at the recent Treasure Island Invitational meet by soaring six feet, eight and a quarter inches. He attempted to break the world's record then, but flipped the bar off with his wrist after crossing the bar.

Gold rush days will live again when the junior college holds a costume dance March 17 in the college gym. Costumes will follow the styles found in California in '49.

The college's collection of fossils has grown rapidly with the addition of numerous gifts. Stanford University gave San Mateo collections of South Sea and Philippine Island shells, while a fossil oyster, twenty-five millions years old, was another addition. By exchanging with eastern universities the college has also added to its collection.

Dr. Max Radin of the University of California faculty will talk at the Peninsula Forum at the college Monday evening, March 13, on "The Basic Philosophy of Democracy." The meeting is open to the public.

The junior college trackmen defeated San Francisco state college 67½ to 57½ in San Francisco, and now go to face some more tough competition.

Tonight (Friday) the soph and frosh men will compete in the annual spring brawl. To determine class supremacy the classes will fight things out in a number of unusual athletic contests.

PUBLIC WHIST

Public whist for the benefit of Boy Scout Troop 101 and Cub Pack 101 will be held tonight (Friday) at 8 p.m. at 601 Hanover street.

The whist party is sponsored by mothers of the cubs and scouts. Several valuable prizes now on display at 6272 Mission street will be awarded the winners. Frank Coughlin, scoutmaster, issues the public a cordial invitation to attend.

Before the Ohio Senate is a bill requiring fishermen in the state to wear badges bearing their license numbers.

Colma News

By Eleanor Price

Mrs. C. F. Hesemeyer, San Francisco, won first prize at the Firemen's whist on last Friday night. The second and third prizes were won by Mrs. Leonard and Tom Fahey respectively. Mrs. Margaret Steele was the lucky winner of the door prize.

The nominating committee of the Colma P.T.A. recently met in the Jefferson school. Those on the committee were Miss M. H. Traynor, chairman; Mrs. A. Hollingsworth, Mrs. Dorothy Truax, Mrs. Alfred Zanetti, and Mrs. A. Childers.

Leon Fellman will return to his duties as engineer on the S.S. Hollywood on Saturday of this week. His first port after leaving San Francisco will be Portland, Oregon.

Wednesday night Cypress Circle No. 14, U.A.O.D., met in Colombo hall. The main order of business was the official visit of the Grand Arch Druidess, Mrs. C. Smith, San Francisco.

The Colma P.T.A. held their election and installation of officers on Tuesday afternoon in the Jefferson annex. The following officers were elected and installed: Mrs. A. Childers, president; Mrs. Ray Lagomarsino, vice president; Mrs. H. L. Remington, secretary; Mrs. A. Hollingsworth, treasurer; and R. L. Crane, auditor. Mrs. S. M. Stanger of the seventeenth district acted as the installing officer.

The Colma Community center whist scheduled for March 17 has been postponed until April. The date will be decided on at a later time.

Mrs. Margaret Brown is confined to her home where she has been ill for several days with a throat infection.

A group of young people who attended the Eddie Cantor show and later a dance on Treasure Island last Saturday night were: Marjorie and Dorothy Fuchs, Elaine Antracoli, Helen Bertini, Betty Cattori, George Leonard, Laura Anderson, Oliver and Reggie Granucci, Bob Funge, Jerry DeMatei, David Gaggero, Terry Bonalanza, and El Dorado Rossi.

A telephone whist will be held on the evening of March 10 for the benefit of the Colma unit P.T.A. Mrs. Dorothy Garabaldi, Miss Marie Traynor and Mrs. Albert Hollingsworth will act as hostesses in their respective homes while Mrs. Ray Lagomarsino and Mrs. H. L. Remington will be co-hostesses at the Jefferson annex. The whist parties are under the chairmanship of Mrs. Albert Hollingsworth. Playing will begin promptly at 8:30 p.m.

Miss Betty Cattori spent last Thursday night at the home of Marcie Baum at Baywood in San Mateo.

Fire broke out on the A. Aldinger Nursery property, 'F" street Colma, Tuesday evening of this week. The Colma fire department quickly answered the call for assistance and managed to extinguish the blaze before very serious damage was done. The cause was unknown. A barn on the property was partly destroyed by the fire as was a dump truck parked beside the barn.

Mr. and Mrs. Mathew Purachino and daughter, Ethel Mae, Stockton; Mr. and Mrs. C. Bisso and son Louis, Linden; and Mrs. A. Gardella and sons, David and Angelo jr., Alhambra Valley, were week-end guests at the home of Mr. and Mrs. V. Capurro of Chester street, Colma.

Marjorie Fuchs, Elaine Antracoli, and Helen Bertini attended the bridge-tea and fashion show given by the Phi Sigma Pi sorority in San Mateo, last Saturday afternoon. Betty Cattori was one of the models in the fashion show.

A very enjoyable day was spent Sunday at the Paul Kramer summer home in San Anselmo. Mr. Kramer's guests were: Marjorie Fuchs, Ruth Green, and Jerry DeMatei.

Last Saturday afternoon Joan Dorothy Garabaldi, daughter of Mr. and Mrs. John Garabaldi, Colma, entertained a number of friends in celebration of her eighth birthday. Both in-door and out-door games were played after which delicious refreshments were served. The table was very effectively decorated with the famous Old Mother Goose character, "Mary, Mary, Quite Contrary." The guests included Phyllis Lane, Irene Garabaldi, Josephine Gianni, Carol Gay Garabaldi, Nathan Agresti, Leland Grondona, Ronald, Edward and John Dennis and Robert Lagomarsino.

Stanislaus Ortiz, Hillside boulevard, Colma, died Monday morning in the Villa hospital where he had been confined for the past two weeks. Mr. Ortez was one of Colma's oldest citizens, having been born here 82 years ago. He spent his entire life as a resident of Colma. Mr. Ortez was unmarried and no known immediate relatives survive him. Requiem mass was held on Wednesday morning at Holy Angels church in Colma. Interment was in Holy Cross cemetery, Lawndale.

Mrs. Margurite Steele invites her many friends to attend the Boy Scout whist for Troop 101, 8:30 Friday evening, 601 Hanover, at Oliver street. Mrs. Steele and Mrs. Fred Klinger are chairmen of the affair.

Anton P. Judnich Is Victim of Heart Attack

Anton P. Judnich, former high school and university football star, died of a heart attack Friday evening of last week at his home, Marietta drive, San Francisco. He was twenty-seven years old.

Mr. Judnich was the husband of Margaret Judnich, formerly Miss Peggy Vincent, Crocker avenue, Daly City. He was sales' tax auditor of the State Board of Equalization.

Besides his wife Mr. Judnich is survived by a son, Anton jr.; his parents, Mr. and Mrs. Martin Judnich; and three brothers, Martin jr., Joseph, and Louis Judnich.

Funeral services were conducted from a San Francisco mortuary last Monday morning. Interment was at Holy Cross cemetery.

Mrs. D. Kraus Entertains For Daughter Saturday

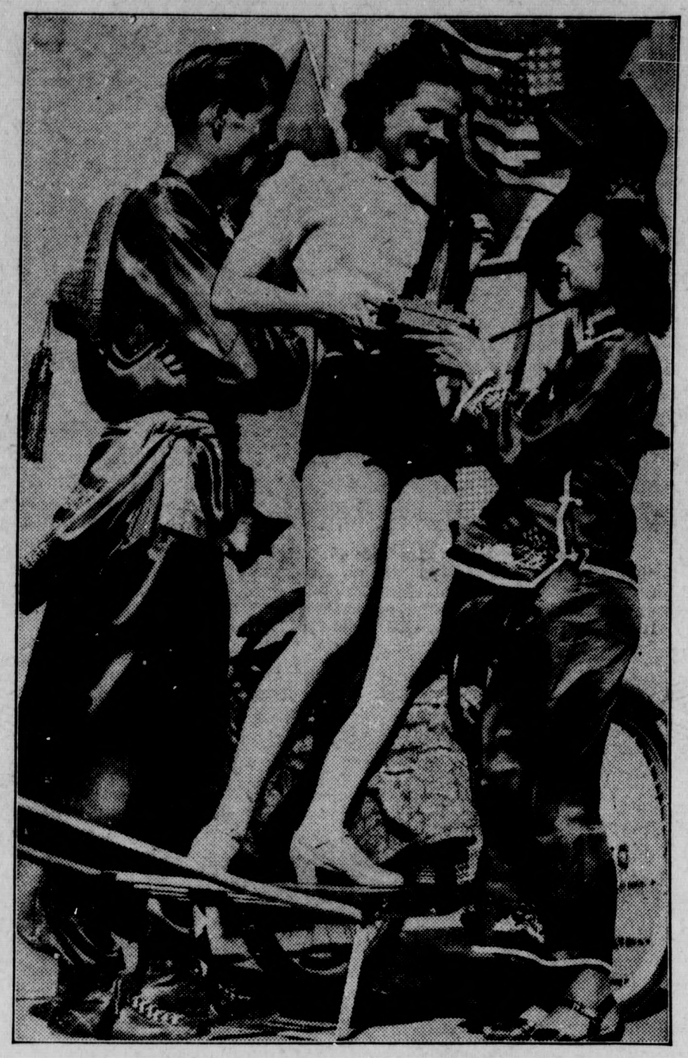
Mrs. D. Kraus, Irvington street, entertained at a family reunion dinner Saturday evening in honor of her daughter, Mrs. Betty Hansen, Oak Grove, Illinois.

Among those present were Mr. and Mrs. Ed Byrne and family, Mr. and Mrs. J. D. Eason and family.

Mrs. Hansen motored to Daly City from Illinois. She arrived Saturday.

Mr. and Mrs. Arthur J. Bodien, Rice street, motored to Russian river Sunday and enjoyed dinner at Occidential.

Run at S. F. World's Fair



Zoe Dell Lantis, Exposition beauty, receives the trophy as winner of the "chop chop" sweepstakes in a rickshaw race on Treasure Island while Bill Chan, the victorious runner looks on. Miss Lantis, representing America, receives the trophy from Ruby Lew of the Chinatown concession at the World's Fair.

Hospital Reports

Junipero Serra

O. R. Williamson and N. Strange of Presidio B. C. school, brought to hospital by ambulance February 28, after their car turned over at Sharps Park. They received no injuries. Injured in the same accident were Edna De Leone, 42 Hayes, who received a black eye, and Josephine De Leone, 42 Hayes street, a bruised lower lip.

Mrs. D. W. Williams, Sharps Park, gave birth to a son Sunday, March 5. She was attended by Dr. Ring.

Villa

Mrs. Nellie Nelson, 719 Ellis street, San Francisco, suffered a fractured skull, fractured left arm and concussions; Benjamin C. Master of 719 Ellis street, San Francisco, treated for lacerated forehead; William McHood, 1711 Baker street, San Francisco, suffered cut lip, chin and right knee, and possible fracture. The injuries were caused by an automobile accident on Skyline boulevard, March 5.

Charles Traux jr., age 5, 15 Cavour street, treated Tuesday for a cut on his left arm.

Mrs. Emma Lautrup, 627 San Diego, treated on March 6 for burns caused when wax she was melting caught fire.

Louis Johnson, 1022 Hanover street, fell from top floor of the Daly City city hall. Brought to hospital by ambulance where he was treated for abrasions. He is still confined to hospital.

Pastor To Give Radio Address Sunday

"Essentials and Non-Essentials" will be the subject of a radio address to be delivered next Sunday morning by Lloyd E. Ellis, pastor of the Church of Christ, Jules and DeMontford (Ingleside district). The address will be heard over station KRE, Berkeley, at 8:45 a.m.

Morning sermon at the church will be "The Christian Army." Sunday evening's discussion will be "What Think Ye of Christ?"

Fellowship Meetings

Peninsula district of the Assembly of God will hold fellowship meetings next Monday, March 13, at 2:30 p.m. and 7:30 p.m., at the Assembly of God tabernacle, 6500 Mission street.

Guest speakers will be present at both meetings. Members and friends are urged to attend.

Two dragons, each requiring 200 strong men to carry them, have arrived for use by San Francisco Chinese at the California World's Fair on Treasure Island.

Majority of the "thousand and one" shows at the California World's Fair may be seen without any charge except the general admission to Treasure Island.

Alfred Herbstritt Succumbs to Injuries

Alfred Herbstritt, for many years a resident of Daly City, died last Friday night at the San Francisco hospital. His death resulted from injuries incurred last Thursday morning when his truck overturned on Sloat boulevard.

Mr. Herbstritt is survived by his wife, Bernice Herbstritt; children, Alfreida, Alfred, and Joan Herbstritt; sisters, Mrs. Alice Tolentino and Mrs. Martha Petty; and a brother, Ernest Herbstritt.

Funeral services were conducted from a San Francisco mortuary Monday morning. Requiem mass was celebrated at St. Charles' church, and interment was at Holy Cross cemetery.

The Herbstritt family formerly made their home at Evergreen avenue and Peoria street, Daly City. They had recently moved to San Bruno.

Woodrow Wilson Pupils Win Prizes

Woodrow Wilson elementary school is proud to report that the four prizes in the Americanism Contest were won by students in their school. "The Reason I Am Proud to be an American," a fifth and sixth grade topic, was won by Marion Maloney, low sixth, first prize, and Lorraine Hill, high sixth, second prize.

The essay entitled "How I Can Help to Perpetuate Americanism" for seventh and eighth grade students was won by Helen Sola, first prize and Billy Braumoeller, second prize, both of the high eighth grade. The judges were Mrs. Gerry Glanville, president of the American Legion auxiliary, Mrs. Jordan, and Mrs. Hill.

The American Legion auxiliary annually conducts these essay contests in the schools throughout the Nation upon some topic of Americanism in order to stimulate and encourage the students in thinking and expressing themselves on their love and respect for their country.

Conservation Week

To stimulate the interest of students in the conservation of natural resources an interesting conservation week program was held at the Woodrow Wilson school. John Gonsalzes was student chairman and introduced the speakers. Katherine Brooks gave a brief talk on the "Life of Luther Burbank." The state emblems were discussed by the following students: Kathleen Dawe spoke on "Our State Animal—the Grizzly Bear;" John Foreman, "Our State Bird—the Quail" and Anna Crossland, "Our State Flower—the Poppy." The program was under the direction of Miss Vireno, Miss Varni, and Miss Mooney.

Soap Carving

Members of the sixth grade at Woodrow Wilson school have started a soap carving club. Meetings are held on Tuesdays and Thursdays from 3 to 3:30 p.m. under the direction of Miss Crouch. A few interesting objects have already been completed and are on display in Room No. 9 at the school.

Prepare Pamphlets As Guide To Reader

Greatest problem to librarians is the person who wants "something good to read," but doesn't know quite what. More often than not, such an individual will confess a fondness for a certain type of reading, such as sea stories; but if left to his own devices, will be at a loss to find what he wants.

It is with this problem in mind that librarians at the Daly City public library have issued a series of pamphlets designed to help the reader find an interesting book easily and quickly. Classified as to the type of reading matter they contain, these pamphlets are conveniently displayed on one of the library tables.

With this ingenuous aid, the reader no longer need stand bewildered before the long array of books on the shelves. By glancing through one of these small folders he can find an entertaining book at a moment's notice.

For example, if he likes stories of the sea, he has only to pick up the folder entitled "Sea Stories." Inside he will find a neatly typed list of suggested books and authors, such as Conrad's "Lord Jim," Sabatini's "Captain Blood," or "Mutiny on the Bounty" by Nordoff and Hall.

Other pamphlets are entitled "World War Stories," "Trilogies," "Pioneer Stories," "Mysteries," "Historical Novels," "Writers of Light Fiction," "Stories of the Civil War," and "Air Stories."

Perhaps most helpful and popular of all the pamphlets is one entitled simply "Cheerful Stories."

Motor to San Jose

Mr. and Mrs. Frank Continolo sr., daughter Roselia, Mrs. Bessie Carr, Evergreen avenue, and Mrs. Nellie Escoloses, Mission street, motored to San Jose Sunday where they visited Mr. Continolo's brother, Charles Continolo, who is ill in a San Jose hospital.

Before returning home the group enjoyed dinner at a popular San Jose cafe.

Notice To Contractors Advertisement For Bids Venetian Blinds And Shades For New City Hall

P.W.A. Docket Calif.-1838-F
City Hall -- Daly City, Calif.

NOTICE IS HEREBY GIVEN that the City Council of the City of Daly City, San Mateo County, California, will receive bids for furnishing all Venetian Blinds and Shades for the two story and basement reinforced concrete City Hall now being erected on the northeasterly corner of Wellington Avenue and Irvington Street, Daly City, San Mateo County, California; each bid to be in accordance with specifications now on file with the City Clerk at the temporary City Hall at 6393 Mission Street, Daly City, California, and where they may be examined, and with the Architect, at his office at 74 New Montgomery Street, Room 537, San Francisco, California, and copies may be obtained from the said Architect at his said office.

Each bid shall be made out on form similar to one attached to this specification and shall be accompanied with a certified check or bidder's bond in the amount of 10% of the estimate submitted, payment made payable to the order of the Clerk of the City Council of the City of Daly City, San Mateo County, California, and shall be sealed and filed with the City Clerk at the temporary City Hall, Daly City, California, or or before March 13, 1939, at 5 o'clock P. M. of said day and will be opened and publicly read aloud at or about 8:00 o'clock P. M. of that date in the office of the City Clerk at the temporary City Hall at Daly City, California.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the City Council of Daly City.

The City Council of Daly City, San Mateo County, California, reserves the right to reject any and all bids or waive any informality in the bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Daly City, California March 3, 1939.

(Signed) B. C. ROSS
Clerk of the City Council of the City of Daly City, San Mateo County, Calif.

Mr. and Mrs. E. C. Boyle and sons, Winchester street, spent the weekend as the house guests of Mr. Boyle's mother in Vacaville.

Mrs. Ilda Marquis and son James, Templeton avenue, motored to Richmond and Oakland, Sunday, where they visited with relatives.

One Year After 'Anschluss'

Tomorrow Vienna will see the first anniversary of Adolph Hitler's startling coup which united Austria with the German Reich. Photograph shows a typical scene one year ago when a Vienna policeman was hoisted above the crowd and given a swastika arm band by the excited crowd.

Cypress Circle, U.A.O.D. Hold Official Visit

Cypress Circle No. 14, United Ancient Order of Druids, held its official visit last Wednesday evening at Colombo hall, Colma.

Honored guests were Grand First Bard Rowena Lucas, Palo Alto, and Grand Second Bard Madeleine Fellows, Daly City.

Girl Scouts Observe Anniversary Sunday

Twenty-seventh anniversary of the founding of Girl Scouts of America will be observed next Sunday, March 12, by Senior Girl Scouts.

According to their leader, Mrs. Fox, the Senior Girl Scouts will usher for services at the Baptist church next Sunday, and will also sing on the program.

Notice Of Trustee's Sale

On THURSDAY, the 30th day of March, 1939, at one o'clock P.M., at the steps of the front entrance to the San Mateo County Courthouse, in the City of Redwood City, County of San Mateo, State of California, MAURICE ASHER, as substitute trustee, will sell, at public auction to the highest bidder for cash, in lawful money of the United States, payable at the time of sale, all that real property in the County of San Mateo, State of California, described as:

Lot 31 in Block 19 as designated on the map entitled "MAP OF THE CROCKER ESTATE TRACT SUBDIVISION NO. 1", which map was filed in the office of the Recorder of the County of San Mateo, State of California on June 1, 1908 in Book 6 of Maps at page 16.

Said sale will be made without covenant or warranty regarding title, possession or encumbrance, to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust dated July 22, 1938, between FRANK SOMMER and GEORGIA SOMMER, his wife, as trustors, and CALIFORNIA PACIFIC TITLE & TRUST COMPANY, a corporation, as trustee, and FRANK E. NEITZEL and LOUISE NEITZEL, as beneficiaries, and recorded in the office of the County Recorder of the County of San Mateo, State of California, on August 6, 1938, in Book 798, page 335, of Official Records.

Substitution of Maurice Asher, as trustee, in place and stead of said California Pacific Title & Trust Company was recorded December 31, 1938, in the office of said County Recorder, in Book 822, page 198, of Official Records.

Dated: March 2, 1939.

MAURICE ASHER
As Substitute Trustee.
March 3-10-17-24, 1939

VETERAN FIREMEN HOLD MEETING

Veteran Firemen's Association held its regular meeting last Friday, March 3, with a large number of members in attendance. Comrade President Peter Valente was the presiding officer.

Discussion centered around proposed changes in the By-Laws. The question of extending the Veteran's hall was brought before the meeting by Comrade Past-President Fritz Hanson. A committee of three, Fritz Hanson, Larry Shaw and Eugene Lucy, were appointed to present the matter to the City Council.

Reports on the annual dinner held February 11 were heard, and the committee in charge given a rising vote of thanks.

Comrade E. J. Romer was reported ill. Members hope to see him well again soon.

Following conclusion of business, refreshments were served by Comrade John Hesselein, chef.

Court St. Mary Hold Regular Meeting

Court St. Mary No. 1155 held their regular meeting Thursday evening of last week at Masonic hall. Grand Regent Evelyn Weckerle presided.

Final plans were completed for a large class initiation to be held Thursday evening, March 16.

It was also decided not to hold a whist during the month of April since the whist date falls in the last week of the Lenten season. The May whist will be under a joint chairmanship, that of Elsie Thomson and Helen Rode, and promises to be unusually interesting.

Vice Regent Ida Forest announced that Father James Doyle, chaplain of Court St. Mary, will say a mass for the repose of the soul of Mrs. Boullett, mother of Mrs. Gertrude Clanton.

H. H. Smith At Sacramento

Hugh H. Smith, Los Olivos avenue, chairman of the Board of Supervisors, and members of the board attended the annual convention of the California County Supervisors Association this week in Sacramento.

Today (Friday) the convention is holding an all-day session in San Francisco.

Little Tough Guys Score "In Society"

Movie Bad Boys Riot With Stars In Gay Comedy

Hilarious adventures of a gang of East Side alley kids as invited guests at a fashionable Long Island estate will be revealed when Universal's gay farce, Little Tough Guys "In Society" starts its local run Sunday at the Daly City theatre with Mischa Auer, Mary Boland, Edward Everett Horton and Helen Parrish.

Triumph for Toughies

Not only does the rollicking film present three of the screen's foremost comedy stars in a smartly tailored story, but it introduces Universal's famous group of kid actors, The Little Tough Guys, into the dazzling realm of jewels and ermine.

Filmed from an original screenplay by Edward Eliscu and Mortimer Offner, the story tells what happens when a dizzy socialite mother, Mary Boland, "adopts" a lot of alley kids as companions to help her indolent son, Jackie Searl, discover the joyous possibilities of youth.

Superlative Cast

Mischa Auer appears as an eccentric psychiatrist and Edward Everett Horton depicts the watchful English butler who is horrified by the antics and behavior of "the little gentlemen from the settlement house." Helen Parrish, who scored in "Little Tough Guy," is seen this time as Searl's sweetheart.

Efforts of the alley kids, led by Frankie Thomas, to get Seal to abandon his idea of spending his life in bed sets the tempo for a riot of fast comedy sequences in the film.

Companion picture on the new bill which will play at the local theatre March 12, 13 and 14 is "Pacific Liner," starring Victor McLaglen and Wendy Barrie.

Little Tough Guys 'In Society"

headlines the new bill which will play at the Daly theatre, Sunday, Monday and Tuesday, March 12, 13 and 14. Shown above are David Gorcey, Harris Berger, Frankie Thomas with society matron, Betty Blythe.

Three San Franciscans Treated at Villa

Three San Franciscan residents were treated in the Villa Sanitarium Sunday of this week for injuries received when the automobile in which they were riding overturned when it skidded on loose gravel on the Skyline boulevard near Colma.

The most seriously injured was Mrs. Nellie Nelson, 45, 719 Ellis street, driver of the car, who sustained a fractured skull and a broken shoulder. Benjamin E. Masters, 30, same address, suffered scalp lacerations and loss of several teeth. William Mahood, 27, 1711 Baker street, received an injured shoulder.

Harry Grantham Here To Visit Parents

Harry Grantham, son of Mr. and Mrs. William Grantham sr., Hanover street, returned to Daly City last Thursday to spend the week-end with his parents.

Grantham is stationed at the C.C.C. Camp at Boulder Creek in the Santa Cruz mountains.

Tuberculosis Assn. Plans Education

The attack of the San Mateo County Health and Tuberculosis Association on tuberculosis during the next six months will take the form of a health-education program, with tuberculin testing of children being held in abeyance because of the prevalence of communicable diseases in the county.

This was decided this week, when 25 members of the association's board of directors met at Hotel Benjamin Franklin to discuss the coming year's work and hear a report of a survey made by the California Tuberculosis association on the results of the past two years' program of tuberculin testing and control of tuberculosis in San Mateo county.

The board plans an intensive program to cover schools, service clubs, churches, fraternal organizations and all other interested groups of citizens, according to Dr. F. S. Gregory, association president.

The third annual meeting of the association was set for April 17 at the Benjamin Franklin Hotel. Frank McConville was named chairman of the program. Mrs. Carl Benninghoven, president of the County Medical auxiliary, will act as chairman of the committee on arrangements.

ON TREASURE ISLAND

The $30,000,000 worth of art treasures from Europe includes representations from nearly every country on the continent. Notable is the famous painting "The Angelus" by Jean Francois Millet, loaned by the Louvre in Paris.

Local Man Goes To U. of Washington

Everett I. Rolff, purchasing agent in the business office of the University of Hawaii, will take over new duties as assistant to the comptroller of the University of Washington, April 1.

Mr. Rolff is a son of Mr. and Mrs. H. T. Rolff, proprietors of the grocery store at 200 Crocker avenue. His early education included attendance here at the old Crocker elementary school, South San Francisco high school, and San Mateo junior college.

After graduating from the University of California in 1933, Mr. Rolff went to Hawaii to teach in a Honolulu business school. Soon after he accepted a position with the Mid-Pacific Institute, and later went to Hilo where he taught commercial studies in the Hilo high school. Mr. Rolff has been with the University of Hawaii for three years.

Princess Alexandra Kropotkin, daughter of a Russian prince, magazine writer and lecturer, is a good will ambassador of the 1939 California World's Fair.

TO CELEBRATE ST. PATRICK'S DAY

Members and friends of Our Lady of Perpetual Help church will celebrate Saint Patrick's Day this year on March 15, at Eagles hall. A committee of 35 headed by Mrs. E. J. Ford, Mrs. S. Griffin, Mrs. H. Green and Mrs. Fahy will conduct the affair which is to begin promptly at 8 p.m.

The first part of the evening's entertainment will consist of a whist party. A good time is assured to all, according to the committee.

Schedule 1939 Spring Garden Show

An acre of back yard gardens, designed and laid out so that visitors may make sketches and apply any of the ideas to the landscaping of their own yards or gardens at home, will be a new and additional feature of this year's California Spring Garden show, it was announced today by Abe P. Leach, show president. Scheduled for April 27 to 30 at the Oakland Exposition building, the 1939 event will be the Tenth Annual California Spring Garden show.

Marking the tenth anniversary and also World's Fair year in the bay district, the show has been planned this year on an elaborate and spectacular scale. Plans of Howard E. Gilkey, landscape engineer and designer of the show, provide for a spectacle more than twice the size of all former shows, it was announced today.

Heckmans Entertain

Mr. and Mrs. Raymond Heckman entertained at a party in honor of their infant son, Raymond Francis jr., Saturday evening. The affair was held in the social hall at the home of Mr. and Mrs. James Reardon, 20 Rice street.

Refreshments were served to more than thirty guests. A pleasant evening was spent dancing.

BOUQUETS FOR ORANGE SHOW

—C. N. P. A. Service

San Bernardino's National Orange Show will get real bouquets when it opens March 16th. A lavish flower show covering 10,000 square feet of floor space will be featured among the elaborate citrus displays. Linda Lee, Orange Show Queen in her regal robes discloses a package of natural beauty that visitors will behold.

Finger-print cards are the latest addition to the multitude of personal papers which the average German now carries about with him, to show that he is not posing as somebody else.

A dull headlamp reflector can be greatly improved by cleaning with a piece of cotton or cotton flannel moistended with alcohol, according to the emergency road service of the California State Automobile association.
